

IN THE SUPERIOR COURT OF BRYAN COUNTY
STATE OF GEORGIA

JOSHUA LANIER,

Plaintiff,

v.

CITY OF RICHMOND HILL, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2023000398

**JOINT MOTION AND SUPPORTING MEMORANDUM OF LAW
FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT**

Pursuant to O.C.G.A. § 9-11-23, Plaintiff Joshua Lanier (the “**Named Plaintiff**”), individually and on behalf of all other persons similarly situated, and Defendant City of Richmond Hill, Georgia (the “**City**” or the “**Defendant**”), by and through their respective undersigned attorneys as identified below, file this Joint Motion and Supporting Memorandum of Law seeking final approval of the parties’ settlement on the grounds that the settlement or resolution as set forth in the proposed Order and Judgment, which memorializes the settlement by the Parties (the “**Settlement**”, “**Order and Judgment**”, or “**Judgment**”) attached as **Exhibit** (“**Ex.**”) “**1**”, is fair, adequate, and reasonable and that all relevant factors weigh in favor of final approval. In support of this Motion, the parties show the Court as follows:

I. OVERVIEW OF THE LAWSUIT AND PROPOSED RESOLUTION

A. Factual and Procedural Background

Former class representative Eric D. Petricca¹ filed this class action lawsuit (the “**Lawsuit**”) on November 7, 2023, as amended on January 14, 2025, on behalf of himself and all taxpayers similarly situated who were assessed and paid certain fees from November 7, 2018, to the date of final approval of the parties’ settlement as set forth in the proposed Order and Judgment (“**Refund Period**”). See Affidavit of James L. Roberts, IV (“**Roberts Aff.**”) attached hereto as **Exhibit “2”** at ¶11. Specifically, this Lawsuit seeks a refund under O.C.G.A. § 48-5-380 (the “**Refund Statute**”) for all fees illegally assessed and collected for fire protection services (the “**Fire Fee**”) by the City as purportedly authorized under the Richmond Hill Ordinance Chapter 38, Article IV – Fire Protection Fee, adopted and effective April 2, 2019 (the “**Fire Fee Ordinance**”). A true and correct copy of the Fire Fee Ordinance is attached hereto as **Exhibit “3”**.²

The Fire Fee Ordinance provides that there shall be a flat fee, *i.e.*, the Fire Fee, assessed against each parcel of land located in the City of Richmond Hill aside from linear right of ways and those properties otherwise exempt from *ad valorem* taxation. See Ex. 3 at §§ 38.86, 38.88. For fiscal years 2019 through 2021, said fee was imposed in an amount of \$185.00 per developed, and \$92.50 per undeveloped, residential parcel and \$250.00 per developed, and \$125.00 per undeveloped, commercial and industrial parcels, per year. See 2019-2025 Millage Rates attached hereto as **Exhibit “4”**. For fiscal years 2022 through 2025, the Fire Fee was imposed in an amount of \$225.00 per developed, and \$112.50 per undeveloped, residential parcel and \$600.00 per

developed, and \$300.00 per undeveloped, commercial and industrial parcels, per year. *Id.* The Fire Fee is assessed yearly on the *ad valorem* tax bill prepared by the officials of Bryan County, Georgia. *See* Ex. 3 at § 38.87.³

Pursuant to such provisions of the Fire Fee Ordinance, the City has assessed its Fire Fee on every parcel of land located within the City (aside from linear right of ways and those properties otherwise exempt from *ad valorem* taxation) since its adoption of the Fire Fee Ordinance. Indeed, Named Plaintiff owns real estate located at 198 Lewis Drive, Richmond Hill, Georgia 31324, Tax Parcel No. 0543 267 (the “**Subject Property**”), and in relation to the Subject Property, the City assessed Named Plaintiff, and Named Plaintiff paid, *ad valorem* taxes every year from 2019 to 2025, which included a Fire Fee in the amount of One Hundred Eighty-Five Dollars and No/100 (\$185.00) for years 2019-2021 and Two Hundred Twenty-Five Dollars and No/100 (\$225.00) for years 2022-2024. *See* Tax Bills attached hereto as **Exhibit “5”**. Named Plaintiff, through this action, argues the Fire Fee is actually an illegal tax and seeks to certify this Lawsuit as a class action and recover all fees illegally assessed and collected for fire protection services.

According to the Georgia Supreme Court, “[a] tax is an enforced contribution exacted pursuant to legislative authority for the purpose of raising revenue to be used for public or governmental purposes, and not as payment for a special privilege or service rendered.” *Bellsouth v. Telecommunications, LLC v. Cobb County*, 305 Ga. 144, 146, 824 S.E.2d 233, 236 (2019) (citing *Gunby v. Yates*, 214 Ga. 17, 19, 102 S.E.2d 548 (1958)). When determining whether a charge is a tax, the Georgia Supreme Court generally considers four (4) criteria: namely, whether the charge is “(1) a means for the government to raise general revenue based on the payer’s ability to pay (i.e.,

³ The City’s Fiscal Year runs from July 1 through June 30. Since the filing of the parties’ Joint Motion for Preliminary Approval, the City billed Fire Fees for Fiscal Year 2025, and such Fire Fees are due and payable this month, December 2025.

income or ownership of property), without regard to direct benefits that may inure to the payer or to the property taxed; (2) mandatory; (3) not related to the payer's contribution to the burden on government; and (4) not resulting in a 'special benefit' to the payer different from those to whom the charge does not apply." *Id.*, 305 Ga. at 146-147.

Applying these criteria to the Fire Fee, Named Plaintiff sets out a number of points in support of its claim that the Fire Fee is a tax and not a fee:

- 1) The Fire Fee is first and foremost a mechanism used by the City to raise general revenue for fire protection services, including fire prevention and fire operations, rather than a charge for a particular service. Indeed, the payor of the Fire Fee is assessed the fee not because it used some particular or enhanced service offered by the City or because it receives some direct benefit therefrom but simply because it owns property located in the City. In other words, the Fire Fee is charged based on the payor's ability to pay, *i.e.*, his ownership of property.
- 2) Additionally, according to the Fire Fee Ordinance, the purpose of the Fire Fee is to provide additional funding for the fire prevention and firefighting operations of the City. *See Ex. 3* at § 38.89. Therefore, the object and purpose of the Fire Fee is to provide general revenue rather than to compensate the City for services actually rendered.
- 3) Next, the Fire Fee is not assessed in a manner whereby the payment is based on the payor's contribution to the burden on the City to provide fire protection services nor does the payment of the Fire Fee result in some special benefit to the payor of the Fire Fee different from those who do not pay the fee. Certainly, the payor may pay the Fire Fee year after year and never utilize the fire protection services while the non-payor of the Fire Fee may utilize such services repeatedly. Moreover, the services funded through the payment of the Fire Fee benefit the general public and non-payers of the Fire Fee in precisely the same manner that the services benefit the payor of the Fire Fee.
- 4) Lastly, the Fire Fee is mandatory. *Id.*, generally.

Pursuant to the reasoning of *Bellsouth*, Named Plaintiff argues the Fire Fee is consequently a tax.

Under the Georgia Constitution and Georgia law, taxation of real and tangible personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property and not based upon a flat rate. *See Hutchins, et la. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) ("Taxation on all real and tangible personal property subject to be taxed

is required to be *ad valorem* – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.”). Here, the Fire Fee is charged as a flat fee on all parcels of land located within the City regardless of the size, value, or characteristics of the assessed parcel. The Fire Fee, Named Plaintiff contends, is therefore not *ad valorem* and is an illegal tax unauthorized by the Georgia Constitution. Named Plaintiff and the prospective class members argue they are consequently entitled to refunds of the illegal assessed and collected taxes in the form of Fire Fees under the Refund Statute. *See Hojeij Branded Foods, LLC v. Clayton County, Georgia, et al.*, 355 Ga. App. 222, 843 S.E.2d 902 (2020) (cert denied Dec. 07, 2020) (Subsection (g) of the Refund Statute allows for the filing of a suit for a tax refund within five (5) years of the date the disputed taxes were paid).⁴

B. Settlement and Grant of Preliminary Approval

After thoroughly investigating the facts of this Lawsuit and related law, the Parties began settlement negotiations, held numerous discussions, and were ultimately able to reach the Settlement which is memorialized in the Order and Judgment. *See* Ex. 2, Roberts Aff. at ¶¶16-17. Such discussions were conducted by senior attorneys from both sides, and all participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit. *Id.* at ¶¶3-9, 15. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the

amount owed, and the defenses thereto. *Id.* at ¶¶13-14, 16, 18. The City ultimately elected to settle the claims at issue in order to avoid the costs and uncertainty of litigation.

After reaching the Settlement memorialized in the Order and Judgment, Named Plaintiff and the City filed a Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing, which the Court granted on November 19, 2025 (the “**Preliminary Approval Order**”). *Id.* at ¶19. In the Preliminary Approval Order, the Court found “for settlement purposes, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed Settlement Class is appropriate”, provisionally certified one (1) class,⁵ scheduled a final approval hearing (the “**Final Approval Hearing**”) for January 6, 2025 at 9:00 a.m. and directed that notice of the Order and Judgment and the Final Approval Hearing be provided to the provisionally certified class. *Id.* at ¶¶21-24. The Court further directed that (1) notice be mailed by first class mail to all Class Members to their last known addresses as appearing in the records maintained by the City (the “**Full Notice**”); (2) an advertisement be placed in the Bryan County News (the “**Publication Notice**”); and (3) a webpage be created (the “**Settlement Webpage**”) where Class Members can access documents related to the Lawsuit (the “**Notice Program**”). *Id.* at ¶24.

In accordance with the Court’s Preliminary Approval Order and the terms of the Notice Program, Eight thousand one hundred and forty-eight (8,148) Full Notices were mailed on or before December 19, 2025, to Class Members to their last known addresses as appearing on the records maintained by the City. *Id.* at ¶27; *see also* Affidavit of Terry Turner (the “**Turner Affidavit**”) attached hereto as **Exhibit “6”**. Likewise, the webpage was created providing

⁵ The Court provisionally certified the one (1) class consisting of all taxpayers within the City who paid a Fire Fee at any time between November 7, 2018, and the date of the Court’s final approval of the Order and Judgment (the “**Settlement Class**” or “**Refund Class**”).

information about the Lawsuit, and the Publication Notice was placed in the Bryan County News on December 11, 2025, December 18, 2025, December 23, 2025, and December 30, 2025. *See* Ex. 6, Turner Affidavit; Ex. 2, Roberts Aff. at ¶¶28-29. The form and content of the Full Notice and the Publication Notice was approved by the Court in its Preliminary Approval Order. *See* Ex. 2, Roberts Aff. at ¶24. The Notice Program provided Class Members with the material terms of the Order and Judgment and instructions on how to object if they believed that any aspect of the Order and Judgment was not fair, reasonable, and adequate. *Id.* at ¶30. The Notice Program also advised the Class Members of the date, time, and location of the Final Approval Hearing. *Id.* at ¶32.

C. Terms of the Order and Judgment

The direct benefits of the parties' Settlement, as laid out in the Order and Judgment, to the Class Members include the creation of an aggregate refund fund in the amount of Five Million Dollars and No/100 (\$5,000,000.00) (the "**Aggregate Refund Fund**") as well as a permanent injunction enjoining collection of the Fire Fee under the Fire Fee Ordinance as currently adopted. The Aggregate Refund Fund will be used to pay (i) all refunds and interest owed to Class Members; (ii) Named Plaintiff's Counsel for attorneys' fees and expenses; (iii) Class Representative Service Payments; and (iv) administrative costs. The City shall pay the Aggregate Refund Fund as follows:

- 1) \$2,000,000 on or before January 10, 2026 (the "**Initial Refund Fund Payment**"); and
- 2) \$3,000,000 on or before January 10, 2027 (the "**Final Refund Fund Payment**").

In the event the City fails to make the payments into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at a rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

As fully stated in the Order and Judgment, each "**Qualified Class Member**", as defined in the Order and Judgment, will receive his or her pro-rata share of the Aggregate Refund Fund based

on the Fire Fees paid during the Refund Period. Each Qualified Class Member's pro rata share of the Aggregate Refund Fund, or the "**Presumptive Refund Amount**", is expected to return to each Qualified Class Member at least 60% of the total Fire Fees paid during the Refund Period, less "**Fees and Expenses**"⁶ (the "**Pro-Rata Refund**"). "**Pro-rata**" shall mean the proportion each Qualified Class Member's Presumptive Refund Amount bears to the total Aggregate Refund Fund. This percentage shall be used to calculate each Qualified Class Member's pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. The Fees and Expenses shall be totaled and multiplied by the ratio of each Class Member's Presumptive Refund Amount to the Aggregate Refund Fund. The resulting number shall be each Qualified Class Member's portion of the Fees and Expenses ("**Pro-Rata Fees and Expenses**"). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class Member's final refund ("**Final Refund**") and shall be the amount distributed to each Qualified Class Member as set forth in the Order and Judgment. *See* Ex. 1 at Sections F-I for a more detailed explanation of the method by which refunds will be calculated and the identification of class members.

Under the Order and Judgment, within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the "**Special Master**" on any individual refund calculation, the "**Administrator**" shall identify to the "**Lanier QSF Administrator**" the amount of refund due each taxpayer, and the address to which the refund is to be mailed for the "**Category 1 Class Members**", each of such terms being defined in the Order and Judgment. The Lanier QSF Administrator shall then issue refund checks from available funds

⁶ Class Counsel's fees and expenses, Named Plaintiff's service award, and the fees and expenses arising from the administration of the Aggregate Refund Fund are collectively referred to as "Fees and Expenses" in the Order and Judgment. *See* Ex. 1, Judgment at Section E.

in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City. Similarly, within thirty (30) days following the expiration of the period to submit “**Claim Forms**”, the Administrator shall identify to the Lanier QSF Administrator the “**Category 2 Class Members**”, again each of such terms being defined in the Order and Judgment, who have properly filled out and returned claim forms, the amount of refund due each taxpayer, and the address to which the refund is to be mailed. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City. *See id.* at Sections F-I.

In exchange, the Class Members will release the City from claims and demands for the payment of taxes asserted in the Lawsuit related to or arising out of issues in this Lawsuit. *See id.* at Section J. For more information concerning the release, *see id.* at Section J.

II. THE ORDER AND JUDGMENT IS FAIR, REASONABLE, AND ADEQUATE AND THEREFORE MERITS FINAL APPROVAL

O.C.G.A. § 9-11-23 governs class action litigation and provides that “[a] class action shall not be dismissed or compromised without the approval of the court and notice of the proposed dismissal or compromise shall be given to all members of the class in such manner as the court directs.” O.C.G.A. § 9-11-23(e). Thus, any resolution of class action litigation must be approved by the court. Such approval involves a two-step process. First, the Court must conduct a preliminary review to determine whether the proposed Order and Judgment is “within the range of possible approval.” *Fresco v. Auto Data Direct, Inc.*, 2007 WL 2330895, at *4 (S.D. Fla. May 11,

2007) (internal citations omitted).⁷ That step was completed when the Court issued its Preliminary Approval Order on November 19, 2025. Following the preliminary approval, the second and last step – which is where we are in this matter – is for the Court to determine the Order and Judgment’s fairness. A class action settlement should be approved “if it is fair, adequate, reasonable and free of fraud or collusion.” *Bennett, et al. v. Behring Corporation, et al.*, 737 F.2d 982, 986 (11th Cir. 1984). “A settlement is fair, reasonable and adequate when the interests of the class as a whole are better served if the litigation is resolved by the settlement rather than pursued.” *See also In re Checking Account Overdraft Litigation*, 2020 WL 4586398, at *8 (S.D. Fla. 2020) (“**Overdraft Litg. II**”) (internal citations and punctuation omitted).

Largely due to the complexity and difficulties of class action litigation, “[p]ublic policy strongly favors the pretrial settlement of class action lawsuits.” *In re U.S. Oil and Gas Litig.*, 967 F.2d 489, 493 (11th Cir. 1992); *see also Ass’n for Disabled Americans, Inc. v. Amoco Oil Co.*, 211 F.R.D. 457, 466 (S.D. Fla. 2002) (citing *Cotton v. Hinton*, 559 F.2d 1326, 1331 (5th Cir. 1977)) (“There is an overriding public interest in favor of settlement, particularly in class actions that have the well-deserved reputation as being most complex.”); *McGaffin v. Argos USA, LLC*, 2020 WL 3491609, at *4 (S.D. Ga. 2020) (“Settlements of class actions are favored.”); *Bennett*, 737 F.2d at 986 (“[O]ur judgment is informed by the strong judicial policy favoring settlement as well as by the realization that compromise is the essence of settlement.”); *See In re Motorsports*, 112 F. Supp. 2d 1329, 1333 (N.D. Ga. 2000) (In its evaluation of a proposed settlement, “the court should be mindful of the judicial policy favoring settlement and cognizant that compromise is the essence of

⁷ Since its enactment in 1966 Georgia courts have read O.C.G.A. § 9-11-23 to track Federal Rule of Civil Procedure 23, and in 2003, O.C.G.A. §9-11-23 was modified to actually conform to the federal rule. Thus, Georgia courts rely on federal cases interpreting FRCP 23(e) when interpreting O.C.G.A. § 9-11-23(e). *See Sta-Power Indus., Inc., v. Avant*, 134 Ga. App. 952-953 (1975) (“Since there are only a few definitive holdings in Georgia on [O.C.G.A. § 9-11-23], we also look to federal law to aid us.”).

settlement. Settlements conserve judicial resources by avoiding the expense of a complicated and protracted litigation process and are highly favored by the law.”) (internal citations omitted); *Overdraft Litg. II*, 2020 WL 4586398, at *7 (“[C]ourts have long recognized a strong policy and presumption in favor of class action settlements.”); accord *In re Domestic Air Transp. Antitrust Litigation*, 148 F.R.D. 297, 312 (N.D. Ga. 1993) (in approving proposed class action settlement, recognizing and being guided by the strong judicial policy favoring settlements; that compromise is the essence of settlement; and that “settlements of class actions are highly favored ... and will be upheld wherever possible because they are a means of amicably resolving doubts and preventing lawsuits.”) (quoting in part *Bennett v. Behring Corp.*, 96 F.R.D. 343, 348 (S.D. Fla. 1982), *aff’d*, 737 F.2d 982 (11th Cir. 1984)).

The ultimate determination of whether a proposed class action settlement warrants approval resides in the court’s discretion. See *Protective Comm. For Indep. S’holders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424-25 (1968). The Eleventh Circuit has identified the following factors that a court should consider in determining whether a settlement is fair, reasonable, and adequate:

(1) the likelihood of success at trial; (2) the range of possible recovery; (3) the point on or below the range of possible recovery at which a settlement is fair, adequate and reasonable; (4) the complexity, expense and duration of litigation; (5) the substance and amount of opposition to the settlement; and (6) the stage of proceedings at which the settlement was achieved.

Columbus Drywall & Insulation, Inc, et al v. Masco Corp., et al, 258 F.R.D. 545, 558-59 (N.D. Ga. 2007) (quoting *Bennett*, 737 F.2d at 986). Such factors are known as the *Bennett* factors. See also *Overdraft Litg. II*, 2020 WL 4586398, at *9.

In addition to the *Bennett* factors, Federal Rule 23(e)(2) provides that courts may approve a proposed settlement as “fair, adequate, and reasonable” only after a hearing and after considering the following factors:

- A. the class representatives and class counsel have adequately represented the class;
- B. the proposal was negotiated at arm’s length;
- C. the relief provided for the class is adequate, taking into account:
 - i. the costs, risks, and delay of trial and appeal;
 - ii. the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims;
 - iii. the terms of any proposed award of attorney’s fees, including timing of payment; and
 - iv. any agreement required to be identified under Rule 23(e)(3) [any agreement made in connection with the settlement]; and
 - v. the proposal treats class members equitably relative to each other.

Fed. R. Civ. P. 23(e)(2).⁸

As discussed below, a review of the Rule 23(e)(2) factors, which are substantively similar to the *Bennett* factors, shows the Settlement to be eminently fair, reasonable and adequate, warranting final approval of the Order and Judgment.⁹

⁸ Nevertheless, “[j]udges should not substitute their own judgment as to the optimal settlement terms for the judgment of the litigants and their counsel.” *Armstrong v. Board of School Directors*, 616 F.2d 305, 315 (7th Cir. 1980), overruled on other grounds in *Felzen v. Andreas, et al.*, 134 F.3d 873 (7th Cir. 1998). Thus, “[i]n determining whether to approve a proposed settlement, the Court is entitled to rely upon the judgment of the parties’ experienced counsel,” and, absent fraud or collusion should be hesitant to substitute its own judgment for that of counsel. *Domestic Air Transp.*, 148 F.R.D. at 312-313. *See also Nelson v. Mead Johnson & Johnson Co.*, 484 Fed. Appx. 429, 434 (11th Cir. 2012) (In making a determination of whether the settlement is fair, reasonable, and adequate, the court may rely on “the judgment of experienced counsel for the parties.”).

⁹ With regard to factor Rule 23(e)(2)(C)(iii) (terms of any proposed award of attorney’s fees), *see* Application for Attorney’s Fees, Reimbursement of Expenses and Service Award to Class Representative with Memorandum of Law in Support filed on December 16, 2025. With regard to factor Rule 23(e)(2)(C)(iv) (any agreement made in connection with the settlement), Class Counsel has confirmed that there are no agreements in connection with the Settlement other than specifically articulated in the Order and Judgment. *See* Ex. 2, Roberts Aff. at ¶20.

A. The *Bennett* Factors Support Final Approval of the Judgment.

When evaluating the *Bennett* factors, it is important to keep in mind that the court is not to try the case on the merits. *See Perez v. Asurion Co.*, 501 F. Supp. 2d 1360, 1380 (S.D. Fla. 2007). “Rather the court must rely upon the judgment of experienced counsel and, absent fraud, should be hesitant to substitute its own judgment for that of counsel.” *Id.* (Citation omitted). Here, each *Bennett* factor weighs in favor of granting final approval.

i. The benefits outweigh the risks at trial.

The first *Bennett* factor, the likelihood of success at trial (similar to Rule 23(e)(2)(C)(i)), must be weighed “against the amount and form of relief contained in the settlement.” *Saccoccio v. JP Morgan Chase Bank, NA*, 297 F.R.D. 683, 692 (S.D. Fla. 2014) (quotation omitted). Additionally, in considering the risks involved in continued litigation, “[t]he [c]ourt should consider the vagaries of litigation and compare the significance of immediate recovery by way of the compromise to the mere possibility of relief in the future, after protracted and expensive litigation.” *Overdraft Litg. II*, 2020 WL 4586398, at *10 (internal citations omitted); *see also In re U.S. Oil & Gas Litig.*, 967 F.2d at 493 (noting that complex litigation “can occupy a court’s docket for years on end, depleting the resources of the parties and taxpayers while rendering meaningful relief increasingly elusive”). In this regard, the Eleventh Circuit recently noted that “[s]uccess at trial is always uncertain, but the complexity, expense, and likely protracted litigation that would be expected in [a class action] case increase the chances that [p]laintiffs and the [c]lass might not ultimately succeed in [the] case.” *McGaffin*, 2020 WL 3491609, at *6.

With such considerations in mind, if the Court enters final approval of the Order and Judgment, the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of Five Million Dollars and No/100 (\$5,000,000.00). *See Ex. 2, Roberts Aff.*

at ¶37; Ex. 1, Order and Judgment, at Section C. The Order and Judgment provides immediate cash refunds for the Class Members roughly 60% of the total calculated refund due less fees and expenses. *See* Ex. A, Order and Judgment. On the other hand, should the Order and Judgment not be approved, Named Plaintiff will file a Motion to Certify the Suit as a Class Action. Class certification is always challenging and assuming that a class is certified, Named Plaintiff risks losing on summary judgment, at trial, or on appeal. Moreover, if this matter proceeds to trial the outcome could result in relief either greater or less than the Aggregate Refund Fund. Thus, the possibility of a trial producing a more favorable recovery is impossible to gauge, and the Class would risk the many hazards of litigation, such as trial errors and appeals and potentially recovering nothing. *See In re Motorsports*, 112 F. Supp. 2d at 1334 (“[T]he trial process is always fraught with uncertainty.”); *Allapattah Servs., Inc. v. Exxon Corp.*, 454 F. Supp. 2d 1185, 1206 (S.D. Fla. 2006) (“[C]lass actions involving various legal theories are, by their nature, very difficult.”). The Order and Judgment avoids these uncertainties and provides the Class Members with meaningful and certain relief. Accordingly, the first *Bennett* factor weighs in favor of granting final approval of the Order and Judgment.

ii. The Settlement is within the range of possible recoveries and is fair, adequate, and reasonable.

The second and third *Bennett* factors – whether the settlement is within the range of possible recoveries and is fair, adequate, and reasonable – can be considered together. *See Burrows v. Purchasing Power, LLC*, 2013 WL 10167232, at *6 (S.D. Fla. Oct. 7, 2013). In assessing the Order and Judgment, “[t]he Court’s role is not to engage in a claim-by-claim, dollar-by-dollar evaluation, but to evaluate the proposed settlement in its totality.” *Lipuma v. American Express Co.*, 406 F. Supp. 2d 1298, 1323 (S.D. Fla. 2005). “[T]he Court must determine whether it falls within the range of reasonableness, not whether it is the most favorable possible result in the

litigation.” *In re Domestic Air Transp. Antitrust Litig.*, 148 F.R.D. 297, 319 (N.D. Ga. 1993). Furthermore, as the District Court for the Southern District of Florida explained, “[i]n evaluating a proposed class action settlement, the Court will not substitute its business judgment for that of the parties.” *Overdraft Litg. II*, 2020 WL 4586398, at *7 (internal citations and punctuation omitted). “[T]he only question is whether the settlement, taken as a whole, is so unfair on its face as to preclude judicial approval.” *Id.* (Internal citations and punctuation omitted).

As discussed above, should the Court approval the Order and Judgment, the Class Members will receive roughly 60% of the total calculated refund due less fees and expenses. *See* Ex. 1, Order and Judgment, Section H. *Compare WinSouth Credit Union v. Mapco Express, Inc.*, No. 3:14-cv-01573 (M.D. Tenn. Jan. 12, 2017) (approving settlement despite arguments that it provided less than 10 percent of the potential recovery). This is an immediate and substantial benefit to the Class Members. Moreover, and significantly, by previously granting preliminary approval of the Order and Judgment, this Court has already determined that the Order and Judgment falls within the range of possible recovery. *See Matter of Skinner Group, Inc.*, 206 B.R. 252, 261 (Bankr. N.D. Ga. 1997). Therefore, the Order and Judgment is within the range of possible recoveries and is fair, adequate, and reasonable, and the second and third *Bennett* factors favor its final approval.

iii. Continued litigation would be expensive and lengthy.

A settlement that “will alleviate the need for judicial exploration of...complex subjects [and] reduce litigation costs...” merits approval. *Lipuma*, 406 F. Supp. 2d at 1324. In analyzing whether the complexity, expense, and duration of litigation support final approval of a proposed settlement, courts compare the benefits of immediate recovery against the uncertainties of complex, expensive, and potentially lengthy litigation. *See Columbus Drywall & Insulation, Inc. v. Masco Corp.*, 2012 WL 12906499, at *3 (N.D. Ga. Oct. 26, 2012) (comparing benefits of “certain and

substantial recovery” provided by settlement with “no assurance of any recovery, let alone a larger one, if the litigation were to continue against [defendant] through trial and the delay of an appeal”); *Ingram v. the Coca-Cola Co.*, 200 F.R.D. 685, 691 (N.D. Ga. 2001) (comparing expenses and duration of further litigation with “the strength of the relief [and] the added benefit of obtaining it now rather than years from now.”).

Here, as discussed above, the Order and Judgment provides significant immediate monetary relief. *See* Ex. 2, Roberts Aff. at ¶37. Moreover, final approval of the Order and Judgment will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court as trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals. *Id.* at ¶46. Thus, the fourth *Bennett* factor favors final approval of the Order and Judgment.

iv. There is no opposition to the Order and Judgment.

The fifth *Bennett* factor requires the Court to consider “the substance and amount of opposition to the settlement.” *Bennett*, 737 F.2d at 986. “[A] low percentage of objections demonstrates the reasonableness of the Consent Judgment and supports the Consent Judgment’s approval.” *In Re: The Home Depot, Inc., Customer Data Security Breach Litigation*, 2016 WL 6902351, at *6 (N.D. Ga. Aug. 23, 2016). To alert the Class Members and provide them an opportunity to object to the Order and Judgment, the Full Notice was mailed to Class Members on December 19, 2025, the Publication Notice was placed in the Bryan County News on December 11, 2025, December 18, 2025, December 23, 2025, and December 30, 2025, and notice was posted on the Settlement Webpage at <https://www.richmondhill-ga.gov/gov-legal>. *See* Ex. 2, Roberts Aff. at ¶¶27-29; Ex. 6, Turner Aff. Class Members had until December 27, 2025, to object. *See* Ex. 2,

Roberts Aff. at ¶33. No objection has been filed by any Class Member. *Id.* Accordingly, the fifth *Bennett* factor favors final approval of the Order and Judgment.¹⁰

v. The stage of the proceedings supports final approval of the Order and Judgment.

The purpose of the final *Bennett* factor is “to ensure that [p]laintiffs had access to sufficient information to adequately evaluate the merits of the case and weigh the benefits of settlement against further litigation.” *Lipuma*, 406 F. Supp.2d at 1324. The discovery completed, however, need not be exhaustive. *See Jones v. Amalgamated Warbasse Houses, Inc.*, 97 F.R.D. 355, 360 (E.D. N.Y. 1982, *judgment aff’d*, 721 F.2d 881 (2d Cir. 1983)). Where information has been gathered through other means “formal discovery [is not] a necessary ticket to the bargaining table.” *In re Corrugated Container Antitrust Litig.*, 643 F.2d 195, 211 (5th Cir. 1981); *see also In re Mego Fin. Corp. Sec. Litig.*, 213 F.3d 454, 459 (9th Cir. 2000) (same); *Cotton*, 559 F.2d at 1332 (finding that “very little formal discovery was conducted and there [was] no voluminous records in this case” but that “the lack of such does not compel the conclusion that insufficient discovery was conducted,” as plaintiffs “achieved the desired quantum of information necessary to achieve a settlement” through investigation and informal discovery). Moreover, “[t]he law is clear that early settlements are to be encouraged, and accordingly, only some reasonable amount of discovery should be required to make these determinations.” *Ressler v. Jacobson*, 822 F. Supp. 1551, 1555 (M.D. Fla. 1992). Indeed, in analyzing the final *Bennett* factor it must be remembered that

¹⁰ Even if objections existed here, which they do not, courts have held that where only a small number of class members object to a settlement, there is convincing evidence of the fairness and adequacy of the proposed settlement and should be approved. *See e.g. Stoetznner v. United States Steel Corp.*, 897 F.2d 115 (3d Cir. 1990) (settlement strongly favored where there were only 29 objections out of 281 class members); *Rodriguez v. West Pub. Corp.*, 563 F.3d 948, 967 (9th Cir. 2009) (explaining that the “court ha[s] discretion to find a favorable reaction...among class members where there were “only fifty-four objections” out of 376,301 class members receiving notification); *Churchill Village, LLC v. Gen. Elec.*, 361 F.3d 566, 577 (9th Cir. 2004) (affirming approval of class action settlement with 45 objections from a 90,000 person class).

“penalizing class counsel for achieving a settlement [early] would work against the interests of the class and undercut the judicial policy favoring early settlement.” *In re Equifax Inc. Customer Data Security Breach Litigation*, 2020 WL 256132, at *35 (N.D. Ga. 2020), *aff’d in part and remanded by In re Equifax Inc. Customer Data Security Breach Litigation*, 999 F.3d 1247 (11th Cir. 2021).

In this case, Class Counsel conducted early, informal discovery, issued numerous Open Records Requests (“**ORRs**”) to the City, spent a substantial number of hours investigating the facts of this case and the hundreds of potential refund claims in tax years 2018, 2019, 2020, 2021, 2022, 2023, 2024, and 2025, and extensively analyzed and calculated the damages and refunds potentially owed. *See* Ex. 2, Roberts Aff. at ¶¶13-14. Furthermore, Class Counsel thoroughly researched the legal issues involved herein, and Attorney Roberts, as lead counsel, has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory interpretations for refund matters under the Refund Statute. *See id.* at ¶¶3-9, 13-14, 47-48. Such early, informal discovery and the research of the legal basis for this Lawsuit was conducted prior to filing the Complaint and before conducting resolution discussions with the City. *Id.* at ¶¶13-14. The facts of this Lawsuit have therefore been thoroughly investigated, and in combination with Class Counsel’s litigation experience, Class Counsel can and has adequately analyzed the strengths and weakness of this Lawsuit. *Id.* at ¶¶3-9, 13-14, 47-48.

Although Class Counsel was able to reach the Order and Judgment in this Lawsuit more efficiently than in some other cases (*see, e.g., Altamaha Bluff, LLC, et al. v. Thomas, et al.*, Superior Court of Wayne County, 14CV0376 (6 years) and *Coleman v. Glynn County*, Superior Court of Glynn County, CE12-01785-063, CE13-01480-063; and CE14-00750-063 (7 years)), such efficiency reflects Class Counsel’s experience in handling tax and fee refund matters. Class Counsel knew the work and investigation that was required in order to reach a fair, adequate and

reasonable Settlement. Moreover, based on lead Class Counsel’s experience with refund cases, Class Counsel knew the issues they faced at every stage in the Lawsuit, knew the potential refund recovery to be had and the chance of achieving it. *See* Ex. 2, Roberts Aff. at ¶¶3-9, 47-49; *see also Overdraft Litg. II*, 2020 WL 4586398, at *10 (“Information obtained from other cases may be used to assist in evaluating the merits of a proposed settlement of a different case.”) (internal citations omitted). Similarly, this experience enabled Class Counsel to convince the City not only that Class Counsel were adequate to the task and willing to do what it took to achieve an excellent result, but that they genuinely understood – for both sides – what the case was worth given the law, facts, and risks. In short, Class Counsel was well positioned to evaluate the strengths and weaknesses of the claims in part as a result of their litigation and settlement of similar tax refund cases. *Compare Overdraft Litg. II*, 2020 WL 4586398, at *12 (“Class Counsel were well positioned to evaluate the strengths and weaknesses of [p]laintiffs’ claims, as well as the appropriate basis upon which to settle them, as a result of their litigation and settlement of similar claims reached [in other cases].”).

Thus, Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation. As a result, and in combination with Class Counsel’s litigation experience, Class Counsel determined that the Order and Judgment is fair, adequate and reasonable. *See* Ex. 2, Roberts Aff. at ¶50. Accordingly, the sixth *Bennett* factor favors final approval of the Order and Judgment.

B. The Judgment of Class Counsel Should be Afforded Great Weight.

Where experienced counsel represents the Class Members, the court, “absent fraud, collusion, or the like, should be hesitant to substitute its own judgment for that of counsel.” *Cotton*, 559 F.2d at 1330. As the District Court for the Northern District of Georgia recently stated, “in evaluating whether the settlement is fair, reasonable, and adequate the [c]ourt also gives due weight

to the judgment of class counsel.” *Equifax*, 2020 WL 256132, at *11. *See also Ingram*, 200 F.R.D. at 691 (taking into account experienced class counsel’s “collective judgment that the benefits of the settlement far outweigh the delay and considerable risk of proceeding to trial”). Here, Class Counsel has extensive experience in refund actions such as this Lawsuit, as well as tax law, including property tax law and litigation having handled tax appeals and tax refund matters for thousands of parcels in over 60 counties in the State of Georgia as well as Florida, Virginia, Alabama, and North Carolina at the administrative, trial court, and appellate court levels. *See Ex. 2, Roberts Aff.* at ¶¶3-9. Class Counsel regularly provides advice and counsel to clients on matters related to taxation and the valuation of property for taxation, exemption, and special use valuation programs. *Id.*

Class Counsel, guided by such experience, believes that the Order and Judgment represents an excellent result. *Id.* at ¶50. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. *Id.* Therefore, Class Counsel recommends that the Court grant final approval of the Order and Judgment, *id.*, and the Court should give “great weight to the recommendation of counsel for the parties, given their considerable experience in this type of litigation.” *Lunsford v. Woodforest Nat’l Bank*, 2014 U.S. Dist. LEXIS 200716, at *26 (N.D. Ga. 2014) (internal citations omitted); *see also Overdraft Litg. II*, 2020 WL 4586398, at *12 (same). Further, the Order and Judgment is not a product of collusion. *See* discussion at Section II(C), *infra*. Thus, Class Counsel’s judgment provides further support that the Order and Judgment is fair, adequate and reasonable.

C. The Order and Judgment is the Result of Good Faith Negotiations and is Not the Produce of Collusion Between the Parties.

In addition to the *Bennett* factors, a court in granting final approval of a class action settlement must find that the settlement “is not a product of collusion between the parties.” *Bennett*,

757 F.2d at 986; FRCP 23(e)(2)(B). In determining whether the settlement is a product of collusion, the Court examines “whether the settlement was achieved in good faith through arms-length negotiations, whether it was the product of collusion between the parties and/or their attorneys, and whether there was any evidence of unethical behavior or want of skill or lack of zeal on the part of class counsel.” *Berman v. General Motors LLC*, 2019 WL 6163798, at 4 (S.D. Fla. Nov. 18, 2019) (internal citations omitted). Courts have found no collusion where the settlement is the result of extensive arms-length negotiations. *See e.g. Ingram*, 200 F.R.D. at 693; *In re Checking Account Overdraft Litig.*, 275 F.R.D. 654, 661 (S.D. Fla. 2011) (“Settlement negotiations that involve arm’s length, informed bargaining with the aid of experienced counsel support a preliminary finding of fairness.”).

The Order and Judgment was negotiated at arm’s length and without collusion. *See* Ex. 2, Roberts Aff. at ¶¶20, 35. The Parties engaged in extensive arm’s length resolution negotiations, discussions concerning the terms of the Order and Judgment were conducted by senior attorneys from both sides, all participants in the resolution discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit, and each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto. *Id.* at ¶¶3-9, 15-18, 20, 35. The Order and Judgment is therefore not a product of collusion between the Parties but is instead the result of hard-fought, arms-length negotiations. There is no evidence of collusion as counsel for both Parties zealously represented the best interests of their clients. *Id.* Moreover, Class Counsel believes that the Order and Judgment is fair and reasonable thereby entitling the Order and Judgment to a presumption of fairness. *Id.* at ¶50; *see also Slomovics v. All For A Dollar, Inc.*, 906 F. Supp. 146,

150 (E.D.N.Y. 1995) (Courts give considerable weight to the views of experienced counsel as to the merits of a settlement).

Because all of the *Bennett* factors heavily weigh in favor of approval of the Order and Judgment, there is no collusion between the Parties, and Class Counsel's judgment should be afforded great weight, final approval of the Order and Judgment should be granted.

D. Class Members Received Excellent Representation.

The record shows that the Named Plaintiff and Class Counsel have provided exceptional representation to the Class Members as required by Rule 23(e)(2)(A). To begin, Named Plaintiff, as the Class Representative, shares the same interests as the absent Class Members and asserts claims stemming from the same event – the City levied and assessed illegal taxes in the form of Fire Fees – and accordingly shares the same injuries.¹¹ Named Plaintiff has no claim and no interest different from or antagonistic to the absent Class Members. *See* generally Named Plaintiff's Class Action Complaint. Finally, Named Plaintiff vigorously prosecuted this Lawsuit leading to the proposed Order and Judgment. *See* discussion of Named Plaintiff's involvement in the Lawsuit in the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative with Memorandum of Law in Support filed on December 16, 2025, at Section III(B).

Named Plaintiff retained Class Counsel who is experienced in class action litigation generally and specifically refund class actions. Class Counsel thoroughly researched the facts of and legal issues in this Lawsuit. *See* Ex. 2, Roberts Aff. at ¶¶3-9, 13-14, 47-48. Lead Class Counsel's extensive knowledge in complex litigation and tax refund litigation, as well as the

¹¹ The City disputes Named Plaintiff's contentions and allegations, denies that the Fire Fee constitutes an illegal tax, does not admit any liability or wrongdoing, and agreed to settlement solely to avoid the cost and uncertainty of continued litigation.

investigation and early discovery conducted in the Lawsuit, allowed Class Counsel to better understand the merits of the Lawsuit and damages involved, prepared Class Counsel for resolution discussions, and successfully positioned Class Counsel to engage in vigorous, arm's length negotiations. *Id.* at ¶¶3-9, 13-14, 47-49. Stated succinctly, the extensive information gathered permitted Class Counsel and Named Plaintiff to assess their position in great detail and make a reasonable decision on the Order and Judgment. *See Mashburn v. Nat'l Healthcare, Inc.*, 684 F. Supp. 660, 669 (M.D. Ala. 1988) (settlement appropriate given counsel acquired sufficient information "to determine the probability of...success on the merits, the possible range of recovery, and the likely expense and duration of the litigation."). In light of the foregoing, the Order and Judgment represents an informed, educated, and fair resolution of the Lawsuit.

E. The Order and Judgment Treats Class Members Equitably.

Each Class Member (as defined in the Order and Judgment) will receive payment from the Aggregate Refund Fund and all terms of the Order and Judgment will apply to all Class Members equitability relative to each other. *See* Rule 23(e)(2)(D) factor; Ex. 2, Roberts Aff. at ¶¶40-42. That is, each Qualified Class Member will receive his or her pro-rata share of the Aggregate Refund Fund up to 60% of the total Fire Fees paid during the Refund Period, less Fees and Expenses, *i.e.*, the Pro-Rata Refund. *See* Ex. B, Roberts Aff. at ¶40. For a detailed explanation of the calculation, see Sections F-I of the Order and Judgment.

F. The Proposed Method of Distribution of Refunds is the Best Method of Distribution Possible.

Rule 23(e)(2)(C)(ii) requires the Court to review the effectiveness of any proposed method of distributing relief to the class. As set forth in the Order and Judgment, all Class members are treated equally in the Settlement. Courts have consistently concluded that where the settlement terms apply to all Class Members, the "method of distributing relief to the class" will effectively

benefit every member of the Class and treat them equitably relative to each other.” *Gumm v. Ford*, 2019 WL 479506, at *6 (M.D. Ga. Jan. 17, 2019). Importantly, if the Class Member is a Category 1 Class Member, as defined in the Order and Judgment, the Class Member needs to take no further action in order to receive the refund. *See* Ex. 1, Order and Judgment, Sections G, I.

G. The Class Received Adequate Notice and Had Opportunity to be Heard.

O.C.G.A. §9-11-23(e) provides “notice of the proposed...compromise shall be given to all members of the class in such manner as the court directs.” Due process likewise requires that class members be given notice and an opportunity to be heard. *See Phillips Petroleum v. Shutts*, 472 U.S. 797, 812 (1985). The method and manner of the notice process is “left to the discretion of the court subject only to the broad ‘reasonableness’ standards imposed by due process.” *Grunin v. Int’l House of Pancakes*, 513 F.2d 114, 121 (8th Cir. 1975), *cert. denied*, 423 U.S. 864 (1975); *see also* O.C.G.A. §9-11-23(e).

In deciding which method of notice is sufficient, courts look solely to the notice language and the manner of distribution. *See Adams v. Southern Farm Bureau Life Ins. Co.*, 493 F.3d 1276 (11th Cir. 2007). Notice to the class need not include every material fact or be overly detailed. *See Faught v. Am. Home Shield Corp.*, 668 F.3d 1233 (11th Cir. 2011). Nor is there any single way in which the notice must be transmitted. Mail, however, “is the preferred means for notifying identified members of a class.” Newberg on Class Actions, §8:28 (5th ed. 2013). Mail is sufficient when the class members are known. Wright & A. Miller, Federal Practice and Procedure, §1797.6 (3rd ed. 2005). Publication is nevertheless an acceptable substitute when individual notice to Class Members is not possible. *See Hughes v. Kore of Indiana Enterprise, Inc.*, 731 F.3d 672, 676–77, 86 Fed. R. Serv. 3d 647 (7th Cir. 2013) (“The members of the class in this case can’t be identified through reasonable effort, effort commensurate with the stakes...When reasonable effort would

not suffice to identify the class members, notice by publication, imperfect though it is, may be substituted.”); *Mirfasihi v. Fleet Mortg. Corp.*, 356 F.3d 781, 786, 57 Fed. R. Serv. 3d 1158 (7th Cir. 2004) (“When individual notice is infeasible, notice by publication in a newspaper of national circulation...is an acceptable substitute.”); *Shurland v. Bacci Cafe & Pizzeria on Ogden, Inc.*, 271 F.R.D. 139, 145 (N.D. Ill. 2010) (“In instances where the names and addresses of class members are not easily ascertainable, notice by publication alone continues to find support in more recent case law.”). Notice by email is also recognized by courts as a means by which the Class can be notified. *See Browning v. Yahoo!, Inc.*, 2007 WL 4105971, at *4-7 (N.D. Cal. Nov. 16, 2007) (finding a notice program that included email notice to be the best practicable under the circumstances and satisfied due process); *Holman v. Student Loan Xpress, Inc.*, 2009 WL 4015573, at *6 (M.D. Fla. November 19, 2009) (approving notice by first class mail to most recent known address).

i. The best practicable notice was furnished.

The Notice Program employed here was multi-faceted and included (a) distribution of Court-approved Full Notice by U.S. Mail; (b) Court-approved Publication Notice; and (c) Settlement Webpage. *See* Ex. 2, Roberts Aff. at ¶24. Each facet of the Notice Program was timely and properly accomplished. *Id.* at ¶26; Ex. 6, Turner Affidavit; and Exhibit “B” to the Turner Affidavit, Publisher’s Aff. Eight thousand one hundred and forty-eight (8,148) Full Notices were mailed to Class Members. *See* Ex. 2, Roberts Aff. ¶27; Ex. 6, Turner Affidavit at ¶2. The addresses used were the last known addresses appearing in the records maintained by the City. The Parties believe that in providing notice in this manner they provided actual, individual notice to every taxpayer who can be located that may be entitled to a refund under the issues raised in this Lawsuit. *See e.g., Holman v. Student Loan Xpress, Inc.*, 2009 WL 4015573, at *6 (M.D. Fla. November 19,

2009) (approving notice by first class mail to most recent known address). In any event, the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement. *See Juris v. Inamed Corp.*, 685 F.3d 1294, 1318 (11th Cir. 2012).

In addition, Class Counsel's phone number was provided in the Full Notice, the Publication Notice, and on the Settlement Webpage for Class Members to call with questions. Approximately ten (10) phone calls have been handled to date. *See Ex. B, Roberts Aff.* at ¶31. The response has been uniformly in favor of the Settlement. *Id.*

ii. The notice was reasonably calculated to inform class members of their rights.

The Court-approved Full Notice satisfied due process requirements because it described the Lawsuit and the substantive claims and contained information reasonably necessary for Class Members to make a decision regarding objecting to the Order and Judgment. *See generally Lunsford*, 2014 U.S. Dist. LEXIS 200716. The Full Notice, among other things, defined the Class and described the releases provided the City under the Order and Judgment, how the refunds will be calculated, and the proposed distribution method. The Full Notice further informed Class Members of their right to object, the procedures and deadline for doing so, and the time and place of the Final Approval Hearing. The Full Notice, the Publication Notice, and the Notice posted on the Settlement Webpage – all written in plain English – told the Class Members where they could get more information on the Order and Judgment, *i.e.*, the Settlement Webpage. The Settlement Webpage contained copies of relevant filings from the Lawsuit that could be downloaded by Class Members, including the Full Notice, the Order and Judgment, the Preliminary Approval Order, and other important Court documents.

The Court-approved Notice Program was therefore reasonably calculated to apprise Class Members of the Order and Judgment and afford them an opportunity to comment or present their

objections. As discussed above, the Notice Program involved notice by mail, publication, and online notification. Any Class Member who wished to express comments or objections had ample opportunity to do so. The Notice Program clearly satisfies the requirements of O.C.G.A. § 9-11-23 as well as due process.

III. THE COURT SHOULD CERTIFY THE SETTLEMENT CLASS

The Court previously found that the Settlement Class met all of the requirements of O.C.G.A. § 9-11-23(a) and O.C.G.A. § 9-11-23(b)(1) and (b)(2). *See* Preliminary Approval Order, at ¶5; Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing filed on November 7, 2025, at Section II(B). Nothing has changed regarding the application of the O.C.G.A. § 9-11-23 factors to this Lawsuit since the Preliminary Approval Order was signed on November 19, 2025. For the reasons already considered by the Court, Named Plaintiff requests that the Court confirm its preliminary decision and finally certify the Settlement Class.

CONCLUSION

For the reasons set forth herein, and in the Court’s Preliminary Approval Order, the Plaintiff requests that the Court grant this Motion, finally certify the Settlement Class, and enter the Final Approval Order attached hereto as **Exhibit “7”**.

ORDER AND JUDGMENT

Plaintiff Joshua Lanier (“**Named Plaintiff**”, “**Lanier**” or “**Class Representative**”) filed the instant class action lawsuit (the “**Lawsuit**”) against the City of Richmond Hill (“**Defendant**” or the “**City**”) pursuant to O.C.G.A. §48-5-380 (the “**Refund Statute**”) on behalf of himself and all taxpayers similarly situated seeking refunds for taxes illegally assessed and collected pursuant to City of Richmond Hill Ordinance Chapter 38, Article IV- Fire Protection Fee as adopted April 2, 2019 (the “**Fire Fee**” and the “**Fire Fee Ordinance**”) and injunctive relief .¹

Having read and considered the pleadings and facts presented, the Court finds as follows:

The Fire Fee has been assessed and collected based on the ownership of property on a *non-ad valorem* basis. Under the Georgia Constitution and Georgia law, taxation of real and personal property is required to be *ad valorem*. That is, property must be assessed based upon the value of the property. *See Hutchins, et la. v. Howard, et al.*, 211 Ga. 830, 89 S.E. 2d 183, 186 (1955) (“Taxation on all real and tangible personal property subject to be taxed is required to be ad valorem – that is, according to value, and the requirement in the Constitution that the rule of taxation shall be uniform, means that all kinds of property of the same class not absolutely exempt

¹ Named Plaintiff also asserts claims for declaratory judgment, prejudgment interest, and violation of uniformity requirement, due process and equal protection.

must be taxed alike, by the same standard of valuation, equally with other taxable property of the same class, and coextensively with the territory to which it applies; meaning the territory from which the given tax, as a whole, is to be drawn.”).

Specifically, and as alleged in the Complaint as amended, the Court finds the following:

1) The Fire Fee is a means for the government to raise general revenue exclusively to be used for fire protection services, based on the taxpayer’s ability to pay, specifically based on ownership of property, without regard to the direct benefit that may inure to the payer or to the property taxed;

2) The Fire Fee is mandatory;

3) The Fire Fee is not related to the payer’s contribution to the burden on the government;

4) The Fire Fee does not result in a special benefit to the payer different from those to whom the charge does not apply; and

5) The Fire Fee is not calculated in a manner whereby the payer is reasonably paying for services rendered or to be rendered.

Therefore, the Fire Fee is an illegal tax not authorized by the Georgia Constitution or by Georgia law;

THEREFORE, IT IS ORDERED as follows:

A. Class Certification

Named Plaintiff and Defendant hereby stipulate to the certification of one class pursuant to O.C.G.A. § 9-11-23(b)(1) and O.C.G.A. § 9-11-23(b)(2) and the Court finds that such certification is appropriate. The class consists of *all taxpayers within the City who were assessed and paid a Fire Fee at any time between November 7, 2018 and the date of final approval of this Order and Judgment* (hereinafter the “**Refund Class**”).

The Court specifically finds that class certification is appropriate because:

- 1) The potential class members are so numerous that joinder of all members is impractical, satisfying the requirements of O.C.G.A. § 9-11-23(a)(1);
- 2) There are questions of law or fact common to each class member, satisfying the requirements of O.C.G.A. § 9-11-23(a)(2);
- 3) The claims of the representative party are typical of the claims of Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(3);
- 4) Class Representative will fairly and adequately protect the interests of the Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(4);
- 5) Certification of the Refund Class is appropriate under O.C.G.A. § 9-11-23(b)(1) as the prosecution of separate actions by or against individual Class Members would create a risk of inconsistent or varying adjudications with respect to individual Class Members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual Class Members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests;
- 6) Certification of the class is appropriate under O.C.G.A. § 9-11-23(b)(2) as Defendant has acted or refused to act on grounds generally applicable to each class member, thereby making appropriate final injunctive relief or corresponding

declaratory relief with respect to members of the class;²

- 7) The law firms of Roberts Tate, LLC and Manly Shipley, LLP will fairly and adequately represent the interests of the Refund Class as Class Counsel; and
- 8) The action is manageable as a class action.

Plaintiff Lanier shall serve as class representative for the Refund Class as defined herein.

The law firms of Roberts Tate, LLC and Manly Shipley, LLP are appointed as Class Counsel for the Refund Class certified herein.

B. Permanent Injunction

Additionally, as of January 1, 2026 and thereafter, Defendant is permanently enjoined and restrained from billing Fire Protection Fees pursuant to City of Richmond Hill Code of Ordinances Chapter 38, Article IV as adopted April 2, 2019.

C. Judgment on the Aggregate Refund Amount

The Court hereby approves and enters judgment pursuant to the Refund Statute in favor of Named Plaintiff and the class in the amount of Five Million and No/100 Dollars (\$5,000,000.00) (hereinafter the “**Aggregate Refund Fund**”) to pay refunds to the Refund Class.

Defendant shall pay the Aggregate Refund Fund as follows:

- (1) \$2,000,000 on or before January 10, 2026 (the “**Initial Refund Fund Payment**”); and
- (2) \$3,000,000 on or before January 10, 2027 (the “**Final Refund Fund Payment**”).

In the event that Defendant fails to make the payment into the Aggregate Refund Fund as provided above, post judgment interest shall accrue at the rate of 7.0% per annum as set by O.C.G.A. § 7-

² Additionally, while the Court has elected to only certify the Refund Class under 9-11-23(b)(1) and 9-11-23(b)(2), the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the Refund Class predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

4-2(a)(1)(A) on said amount until paid in full.

The Aggregate Refund Fund shall be the sole source used to pay: (i) all refunds and interest owed to Class Members as set forth herein (the “**Class Refunds**”); (ii) Plaintiff’s Counsel for attorneys’ fees and expenses as set forth herein and as approved by the Court; (iii) Class Representative Service Payment as set forth herein and as approved by the Court; and (iv) the costs of administering the Aggregate Refund Fund including the cost and expenses of the Administrator and the costs of notice to the Class Members as described herein, the costs and expenses of the Special Master, and the direct costs and expenses for the distribution and mailing of refunds to Class Members.

The Aggregate Refund Fund shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order (the “**Lanier QSF**”) to carry out the payment of approved Fees and Expenses of Class Counsel and the Class Representative Service Payment set forth in Section F and the Refund Payment Process set forth in Section K herein. The Final Order will appoint Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 as administrator of the Lanier QSF (the “**Lanier QSF Administrator**”). The Lanier QSF Administrator will be paid a flat fee of \$30,000.00. The costs of the Lanier QSF Administrator shall be paid from the Aggregate Refund Fund. The Aggregate Refund Fund shall be deposited into an interest-bearing bank account (the “**Aggregate Refund Fund Account**”) established by the Lanier QSF Administrator. The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number.

The Lanier QSF Administrator shall act as a fiduciary with respect to the handling, management and distribution of the Aggregate Refund Fund.

Except as set forth above, the costs of administering the Class Refunds shall not include any costs incurred by Defendant related to the webpage used for notification of Class Members or time devoted by employees of Defendant to fulfilling the terms of this Order and Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses and payment in full of the amount of the Aggregate Refund Fund owed by Defendant shall be in sole satisfaction of all claims against Defendant.

D. Appointment of Administrator

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 is appointed Administrator to identify Class Members (hereinafter referred to as the “**Administrator**”) entitled to refunds based on the City of Richmond Hill’s databases, records and resources, and to calculate the individual refund amounts, if any, due each Class Member. The Administrator is to be given full access to the pertinent records of the City of Richmond Hill necessary to identify Class Members and determine individual refund amounts. In the event that Terry Turner cannot serve, a substitute Administrator consented to by the Parties shall be appointed.

The Administrator’s fees will be paid from the Aggregate Refund Fund. The Administrator will be paid the hourly rate of \$120 per hour for his services and \$80 per hour for administrative personnel hired to assist. Upon completion of the Administrator’s work the Administrator shall submit an accounting of all charges and expenses to Named Plaintiff’s Counsel and Defendant’s Counsel at least fifteen (15) days prior to submission of such charges and expenses to the Lanier QSF Administrator for payment. Named Plaintiff’s Counsel and Defendant’s Counsel shall notify the Administrator of any objections to the charges and expenses within five (5) days of receipt. The Lanier QSF Administrator will pay the Administrator’s charges and expenses within ten (10)

days of submission provided there are no unresolved objections. Any unresolved objections shall be submitted to the Special Master as set forth below for resolution and whose decision shall be binding.

E. Notification of Class

Any and all attorney's fees, costs and expenses, and class service payments awarded by the Court to Class Counsel shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the Lanier QSF Administrator within thirty (30) days of receipt of the Initial Refund Fund Payment, subject to the availability of sufficient funds in the Aggregate Refund Fund with any remaining Fees and Expenses owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the award of Fees and Expenses to Class Counsel. Fees and Expenses awarded to Class Counsel shall be paid notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the award or this Order and Judgment or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Aggregate Refund Fund plus accrued interest at the same net rate as is earned by the Aggregate Refund Fund, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed. Additionally, class service payment awarded by the Court shall be payable from the Initial Aggregate Refund Fund Payment and shall be paid by the Lanier QSF Administrator within thirty (30) of receipt of the Initial Refund Fund Payment, subject to the availability of sufficient funds in the Aggregate Refund Fund with any remaining class service payment owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the class service payment.

F. Identification of Class Members and Calculation of Individual Refunds

Following Final Approval of the Order and Judgment, the Administrator is directed to identify the Refund Class and Class Members and determine the refunds owed. “Class Member” or “Class Members” means a member or members of the Refund Class. The Administrator will identify the Class Members who are entitled to refunds as follows:

The Administrator shall be given full access to the records of and full cooperation by Defendant’s departments including, but not limited to, Information Technology and Finance Departments, in order to identify Class Members, confirm the identity of Class Members, obtain missing information for taxpayers who paid the Fire Fee in order to determine whether they are Class Members and to calculate the individual refunds owed to Class Members. The period for which refunds will be determined is November 7, 2018 through the date of entry of this Order (the “**Refund Period**”). The amount of Fire Fees paid by each Class Member during the Refund Period shall be determined and then summed to determine the total of all Fire Fees paid by all Class Members during the Refund Period. The percentage of Fire Fees paid during the Refund Period for each Class Member multiplied by the amount of the Aggregate Refund Fund shall be the presumptive refund amount (“**Presumptive Refund Amount**”).

The Administrator will not calculate interest on the refund from the date of payment through the date of final approval of this Order and Judgment in calculating the Presumptive Refund Amount owed to each Class Member.

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of final approval of the Order and Judgment.

Upon completion of the identification of the Class Members entitled to refunds and the

Presumptive Refund Amount to each Class Member, the Administrator will post the list of Class Members and the Presumptive Refund Amount owed to each on the City's website and provide notice in the Bryan County News.

The City and any Class Member shall have the right to object to the calculation of any individual refund calculations made by the Administrator including the City's ability to assert any individual defenses to such individual's entitlement to the refund or the amount thereof. Such objection shall be filed with the Special Master as defined below within forty-five (45) days of the Administrator's notice of completion of the Presumptive Refund Amount.

Finally, the page on the City's website will provide a claim form for any taxpayer who paid the Fire Fee not identified as a Class Member by the Administrator to submit in the event they believe they are entitled to a refund with a time limit of forty-five (45) days from the posting of the individual refund calculation on the City's website ("**Missing Class Members**"). The Administrator shall review any such claims by additional applicant(s) and determine whether they are in fact entitled to any refund, submit his conclusions to the applicant(s) and Defendant who shall have fifteen (15) days to object to the Administrator's findings. Any such objections shall be heard by the Special Master as defined below. The Special Master's ruling is final and binding, except as to questions of law, which are subject to review by the Judge and/or any appellate court of this state with jurisdiction over the subject matter. The Presumptive Refund Amount for Class Members shall be adjusted based on any refunds determined to be owed for Missing Class.

Finally, the page on the City's website will provide a form for any applicant identified as a Class Member to utilize to update their address.

G. Administration of the Class

The Presumptive Refund Amount for each Class Member will be posted on a page on the

City's website along with information about how a Class Member can object to the Presumptive Refund Amount.

After the Administrator identifies the Presumptive Refund Amount for each Class Member, the Administrator will divide the Class Members into the following categories for purposes of distributing the refunds to the Class Members:

- Class Members still owning the property for which a refund is determined to be owed (hereinafter "**Category 1 Class Members**").
- Class Members who no longer own the property for which a refund is determined to be owed (hereinafter "**Category 2 Class Members**").

A claim form for collection of individual refunds for Category 2 Class Members will be submitted to the Court for approval along with the Motion for Preliminary Approval (the "**Claim Form**"). Additionally, a page will be created on the City's website providing the information contained in the Claim Form for the collection of individual refunds.

For Category 2 Class Members, the Claim Form will be sent to what is believed to be the current mailing address with a form requiring that the taxpayer certify that he or she is the same taxpayer for which the refund has been calculated. The taxpayer shall have sixty (60) days to return the certification. The refund shall be mailed in accordance with the timing procedures set forth below.

Rita Spalding is appointed Special Master to rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

All Category 1 Class Members and those Category 2 Class Members who returned a

properly executed Claim Form shall be the “**Qualified Class Members**” to whom refunds shall be paid as set forth below. The individual refund amounts shall be mailed to the Class Members in accordance with the timing procedures set forth below.

H. Qualified Class Member Refunds

The Administrator will determine each Qualified Class Member’s pro-rata share from the Aggregate Refund Fund (the “**Pro-Rata Refund**”) following the submission of all Category 2 Claim Forms and resolution of all objections as set forth hereinabove. “Pro-Rata” shall mean the proportion each Qualified Class Members’ total payment of Fire Fees during the Refund Period bears to the payments of all Qualified Class Members during the Refund Period. The Pro-Rata Refund is expected to return to each Qualified Class Member 60-100% of the Fire Fees paid during the Refund Period less fees and expenses. The Pro-Rata percentage shall be used to calculate each Qualified Class Member’s share of the Fees and Expenses to be subtracted from the Pro-Rata share of the Aggregate Refund Fund. The Fees and Expenses shall be totaled and multiplied by the Pro-Rata share. The resulting number shall be each Qualified Class Member’s portion of the Fees and Expenses (“**Pro-Rata Fees and Expenses**”). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class Member’s final refund (“**Final Refund**”) and shall be the amount distributed to each Qualified Class Member as set forth herein.

I. Refund Payment Process

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any Presumptive Refund calculation, the Administrator shall identify to the Lanier QSF Administrator the amount of the Final Refund due each taxpayer and the address to which the refund is to be mailed for the Category 1 Class

Members. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City. Within thirty (30) days following the later of the expiration of the period to submit Claim Forms or a final ruling by the Special Master on any claims or objections as set forth above, the Administrator shall identify to the Lanier QSF Administrator Category 2 Class Members who have properly filled out and returned claim forms, the amount of Final Refund due each Category 2 Class Member and the address to which the refund is to be mailed. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City.

Any and all checks returned or uncashed after one hundred and twenty (120) days from issuance shall be canceled by the Lanier QSF Administrator (the “**Expiration Date**”). Following the Expiration Date, all monies remaining in the Aggregate Refund Fund after all payments have been made as outlined herein shall be returned to the City.

The Lanier QSF Administrator shall maintain accurate accounting records of all deposits and payments from the Aggregate Refund Fund Account and shall provide such accounting to Named Plaintiff’s Counsel and Defendant’s Counsel upon request. The Lanier QSF Administrator shall file a notice of completion of administration (“**Notice of Completion**”), the form of which shall be included in the Motion for Preliminary Approval, with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund Fund Account to the City.

J. General Provisions

1. Released Claims

Named Plaintiff and Class Members agree to release and forever discharge, and by this Agreement do, for themselves, their heirs, executors and administrators, release and forever discharge Defendant, its current and former elected officials in their official and individual capacities, its past, present and future parent and affiliate corporations, offices, authorities, commissions, committees and departments, and their respective past, present and future divisions, subsidiaries, affiliates and related governmental entities and their successors, assigns, directors, officers, employees, attorneys, agents and representatives, personally and as directors, officers, employees, attorneys, agents, or representatives (collectively, the “**Releasees**”), of and from all manner of action and actions, causes and causes of action, sums of money, covenants, contracts, controversies, agreements, promises, damages (including, but not limited to, attorneys fees), claims and demands for the payment of Fire Fees, taxes, and/or fees related to or arising out of the assessment, collection, or payment of Fire Fees as alleged in the Lawsuit from November 7, 2018 through the date of final approval of this Judgment whether in law or in equity (the “**Released Claims**”).

The Lawsuit

10.

Named Plaintiff retained Roberts Tate, LLC and agreed to be a class representative in this Lawsuit against Defendant City of Richmond Hill, Georgia (the “City” or “Defendant”) to recover refunds on behalf of itself and similarly situated taxpayers for illegal taxes levied and assessed in the form of fire fees (the “Fire Fees”) for 2018 to present. This Lawsuit is a refund class action and alleges that the City failed to comply with the Georgia Constitution and the Georgia law in assessing and levying Fire Fees.

11.

On November 7, 2023, former Named Plaintiff Eric D. Petricca commenced this Lawsuit, asserting claims for refunds on behalf of Named Plaintiff and all others similarly situated. Joshua Lanier was thereafter substituted as Named Plaintiff in this action.

12.

The City filed an Answer on January 12, 2024.

13.

Our firm conducted early, informal discovery, including investigation of facts, the law and extensive analysis and calculation of refunds potentially owed. Our firm issued numerous Open Records Requests (“ORRs”) to the City for documents. From the documents provided pursuant to the ORRs and the informal discovery provided by the City, we thoroughly researched the facts of this Lawsuit and were able to determine the total potential damages and number of potential class members.

14.

The early, informal discovery and the research of the legal basis for this Lawsuit was conducted prior to filing the Complaint and before conducting settlement discussions with the City.

15.

The City is represented by Ray C. Smith and Benjamin Perkins who are extremely capable counsel and were worthy, highly competent, and professional adversaries.

16.

After thoroughly investigating the facts of this Lawsuit and filing the Complaint, the Parties began resolution discussions and continued such discussions for several months.

17.

Ultimately, the parties were able to reach a resolution (the “**Settlement**”). The Settlement is memorialized in the Order and Judgment (the “**Order and Judgment**”).

18.

The City’s attorneys mounted vigorous defenses, and the Order and Judgment was only reached after negotiations concerning the parameters and provisions of a fair, reasonable and adequate settlement.

19.

On November 7, 2025, the Named Plaintiff and the City filed a Joint Motion and Supporting Memorandum of Law for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and to Schedule Final Approval Hearing. The Court entered the Preliminary Approval Order dated November 19, 2025.

The Settlement and Preliminary Approval

20.

The Order and Judgment was negotiated at arm's length without collusion. There are no agreements in connection with the Settlement other than specifically articulated in the Order and Judgment.

21.

The Court granted the Parties' Joint Motion for Preliminary Approval of Class Action Settlement and signed the Preliminary Approval Order on November 19, 2025 (the "**Preliminary Approval Order**").

22.

In the Preliminary Approval Order, the Court found "for settlement purposes, that the O.C.G.A. §9-11-23 factors are present and thus certification of the proposed Settlement Class is appropriate" and provisionally certified one (1) class.

23.

The Court scheduled a final approval hearing (the "**Final Approval Hearing**") for **January 6, 2026, at 9:00 a.m.** at the Bryan County Courthouse.

24.

The Court ordered that the notice of the Settlement and notice of the Final Approval Hearing be given to the Class Members as follows (collectively referred to as the "**Notice Program**"):

- A. The Parties shall cause to be mailed by first class mail, as soon as practicable after the entry of the Preliminary Approval Order, to all Class Members to their last known addresses as appearing on the records maintained by the City, a copy of the notice (the "**Full Notice**"). The Court approved the form and content of the Full Notice.

- B. The City shall cause, as soon as practicable after the entry of the Preliminary Approval Order, a webpage be added to its website (the “**Settlement Webpage**”) where Class Members may access the Preliminary Approval Order, the proposed Order and Judgment, the Full Notice, other related documents and information concerning this Lawsuit, and the date that the Final Approval Hearing will occur.
- C. The Parties shall cause, as soon as practicable after entry of the Preliminary Approval Order, a notice to be placed in the Bryan County News (the “**Publication Notice**”). The Court approved the form and content of the Publication Notice.

25.

The Court ordered that Class Members objecting to the Settlement follow specific procedures to register such objections as set forth in the Preliminary Approval Order and in the Full Notice.

Execution of the Notice Program

26.

Each facet of the Notice Program was accomplished.

27.

The Full Notice was mailed by the Administrator on or before December 19, 2025, to Class Members to their last known addresses as appearing on the records maintained by the City. Eight thousand one hundred and forty-eight (8,148) Full Notices were mailed.

28.

The Settlement Webpage was created providing information about the Lawsuit. *See* <https://www.richmondhill-ga.gov/gov-legal>. The Settlement Webpage contains the Preliminary Approval Order, the proposed Order and Judgment, the Full Notice, and other related documents and information concerning the Lawsuit. The Settlement Webpage also contains the date of the Final Approval Hearing as set forth in the Preliminary Approval Order.

29.

The Publication Notice was placed in the Bryan County News on December 11, 2025, December 18, 2025, December 23, 2025, and December 30, 2025.

30.

The Notice Program provided Class Members with the material terms of the Settlement and instructions on how to object if they believed that any aspect of the Order and Judgment was not fair, reasonable, and adequate.

31.

Both the Full Notice and the Publication Notice as well as the Settlement Webpage contained Class Counsel's phone number for Class Members to call with questions about the proposed Settlement. Approximately ten (10) phone calls have been handled to date. The response has been uniformly in favor of the Settlement.

Reaction to the Settlement

32.

The Full Notice, the Publication Notice, and the Settlement Webpage notified Class Members of the date and time of the Final Approval Hearing and advised them that if they believed that any aspect of the Settlement as set forth in the Order and Judgment, including the Application for Attorney's Fees, Reimbursement of Expenses and/or the Service Award to Class Representative, was not fair, reasonable and adequate, they had the right to object to any or all of the foregoing.

33.

Pursuant to the Preliminary Approval Order, the period for filing timely objections ended on December 27, 2025. There were no objections received. Of the approximately ten (10) calls

received, no one objected to the Settlement. Most of the calls were requesting general information about the Settlement.

34.

Therefore, the Settlement was approved overwhelmingly by the Class Members.

Summary of the Terms of the Settlement

35.

The Parties engaged in extensive arm's length settlement negotiations. Discussions concerning the terms of the Settlement were conducted by senior attorneys from both sides. All participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit. Each side had a thorough understanding of the allegations regarding the aggregate damages owed, the facts in support of the amount owed and the defenses thereto. Counsel for both parties zealously represented the best interests of their clients.

36.

The terms of the Settlement are set forth in the Order and Judgment and covers refunds for taxes paid from November 7, 2018, to present.

37.

If the Court enters final approval of the Settlement, as a result of the efforts of the Class Representative and Class Counsel, the direct benefits to the Class Members include the creation of a cash fund in the amount of \$5,000,000.00 (the "**Aggregate Refund Fund**").

38.

The City shall pay the Aggregate Refund Fund as follows:

- 1) \$2,000,000 on or before January 10, 2026 (the "**Initial Refund Fund Payment**"); and

2) \$3,000,000 on or before January 10, 2027 (the “**Final Refund Fund Payment**”).

39.

In the event Defendant fails to make the payment into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at the rate of 7% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

40.

Under the terms of the Settlement, each “**Qualified Class Member**” (as defined in the Order and Judgment) will receive his or her pro-rata share of the Aggregate Refund Fund, less Fees and Expenses. This is called the “**Pro-Rata Refund**” as defined in the Order and Judgment. The fund established is expected to return at least 60% of the Fire Fees paid by each class member. This is called the “**Presumptive Refund Amount**” in the Order and Judgment.

41.

“Pro-rata” shall mean the proportion each Qualified Class Member’s Presumptive Refund Amount bears to the Aggregate Refund Fund.

42.

This percentage shall be used to calculate each Qualified Class Member’s pro rata share of the Fees and Expenses to be subtracted from the Presumptive Refund Amount. The Fees and Expenses shall be totaled and multiplied by the ratio of each Class Members Presumptive Refund Amount to the Aggregate Refund Fund. The resulting number shall be each Qualified Class Member’s portion of the Fees and Expenses (“**Pro-Rata Fees and Expenses**”). The difference between the Pro-Rata share of the Aggregate Refund less the Pro-Rata Fees and Expenses shall be each Qualified Class Member’s final refund (“**Final Refund**”) and shall be the amount distributed

to each Qualified Class Member as set forth in the Order and Judgment. *See* Order and Judgment, Sections H-K.

43.

Under the Order and Judgment, within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the “**Special Master**” on any **Presumptive Refund** calculation, the “**Administrator**” shall identify to the “**Lanier QSF Administrator**” the amount of the **Final Refund** due each taxpayer, and the address to which the refund is to be mailed the “**Category 1 Class Members**”, each of such terms being defined in the Order and Judgment. The Lanier QSF Administrator shall then issue refund checks from available funds in the Aggregate Refund Fund to the Category 1 Class Members within thirty (30) days of the later of receipt of such notice or the **Final Refund Payment** by the City. Similarly, within thirty (30) days following the expiration of the period to submit “**Claim Forms**”, the Administrator shall identify to the Lanier QSF Administrator the “**Category 2 Class Members**” who have properly filled out and returned claim forms, the amount of refund due each taxpayer, and the address to which the refund is to be mailed. The Lanier QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund to the Category 2 Class Members within thirty (30) days of the later of the receipt of such notice or the payment of the Final Refund Payment by the City *See id.* at Sections H-K.

44.

The Aggregate Refund Fund provides for an immediate cash benefit for the Class Members as set forth in the Order and Judgment.

45.

Importantly, if the Class Member is a Category 1 Class Member as defined in the Order and Judgment and still owns the property for which the refund is due, the Class Member needs to take no further action in order to receive his or her refund. If the Class Member is a Category 2 Class Member as defined in the Order and Judgment and no longer owns the property for which the refund is due, the Class Member will fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Webpage) certifying that he or she is the same taxpayer for which the refund has been calculated and then the refund will be mailed to such Class Member.

46.

The Settlement amount is fair and reasonable given the obstacles confronted and the complexity of the Lawsuit, including, but not limited to, inherent risk of failing to obtain class certification, having the Lawsuit dismissed at the pleadings stage or upon motion for summary judgment, *Daubert* challenges, trial, and further appeals.

47.

The facts of this Lawsuit have been thoroughly researched. Class Counsel spent a substantial number of hours investigating the potential refund claims. We analyzed the potential refund claims for 2018, 20019, 2020, 2021, 2022, 2023, 2024, and 2025.

48.

Legal issues have been thoroughly researched, and I have briefed and argued the same refund issues in other tax refund and tax appeal matters involving alleging that a charge was in fact an unlawful tax rather than fee. I am very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380 (the “**Refund Statute**”).

49.

This information was essential to our ability to understand the facts, scope of the refund claims, pertinent evidence, legal and factual arguments and potential defenses, and the number of and amount of potential refunds owed to the Class.

50.

In sum, the Settlement represents an excellent result. It is the opinion of Class Counsel that the Settlement achieved in this Lawsuit is fair, reasonable, and adequate under the circumstances. For all the reasons cited above and more, Class Counsel recommends final approval of this Settlement.

51.

Each of the above-described efforts taken was essential to achieving the Settlement and the excellent results for the Class.

52.

Final approval of the Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court as trying this Lawsuit to verdict would involve expert involvement, extensive argument and voluminous briefing, and possible *Daubert* challenges and appeals.

FURTHER AFFIANT SAITH NOT.

Fire protection fees shall be collected by the tax commissioner of the county or such other official as the city council shall designate.

**IN THE SUPERIOR COURT OF BRYAN COUNTY
STATE OF GEORGIA**

JOSHUA LANIER,

Plaintiff,

v.

CITY OF RICHMOND HILL, GEORGIA,

Defendant.

CIVIL ACTION NO. SUV2023000398

FINAL APPROVAL ORDER

WHEREAS, the instant action pending before the Court is a class action (the “**Lawsuit**”) brought by Joshua Lanier (“**Named Plaintiff**”), individually and on behalf of all persons similarly situated (the “**Class Members**”) against Defendant City of Richmond Hill, Georgia (the “**City**”);

WHEREAS, this matter came before the Court on the Parties’ Joint Motion for Preliminary Approval of Class Action Settlement, Preliminary Certification of Settlement Class, Approval of Notice Program and Scheduling Final Approval Hearing (the “**Motion for Preliminary Approval**”);

WHEREAS, the Court **GRANTED** the Motion for Preliminary Approval and entered the Preliminary Approval Order on November 21, 2025 (the “**Preliminary Approval Order**”);

WHEREAS, this matter is currently before the Court on the Parties’ Joint Motion for Final Approval of Class Action Settlement pursuant to O.C.G.A. § 9-11-23(e) in which the Court has been asked to give final approval to the Order and Judgment (hereinafter the “**Order and Judgment**”) proposed and agreed to by Named Plaintiff and the City, through counsel, which,

together with the exhibits, sets forth the terms and conditions of the proposed resolution of this Lawsuit;

WHEREAS, the Court held a Final Approval Hearing on January 6, 2026, as scheduled in the Preliminary Approval Order and as made known to the Class Members through the notice procedures (the “**Notice Program**”) approved by the Court in the Preliminary Approval Order;

WHEREAS, no objections were filed to the Order and Judgment, and the Court having considered the entire record of this Lawsuit, including the filings in support of preliminary approval and final approval, the Order and Judgment and the exhibits, and the arguments and representations of counsel, the Court finds that the requirements for final approval have been met and that the proposed resolution of this Lawsuit as set forth in the Order and Judgment is a fair, reasonable and adequate compromise of the claims and defenses asserted in this Lawsuit and should therefore be approved pursuant to O.C.G.A. § 9-11-23.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED THAT:

1. This Order of Final Approval incorporates herein and makes a part hereof the Order and Judgment, including all exhibits and amendments thereto. Unless otherwise provided herein, the terms defined in the Order and Judgment shall have the same meanings for purposes of this Final Order and Judgment.

2. This Court has jurisdiction over the subject matter of this Lawsuit and over all Parties to this Lawsuit including Named Plaintiff, all Class Members and Defendant. Venue is proper.

3. The record shows that notice has been given to the Class Members via the Notice Program approved by the Court in the Preliminary Approval Order. The Court finds the Notice Program consisted of individual notice mailed to Class Members (the “**Full Notice**”), a notice in

the Bryan County News (the “**Publication Notice**”), and a webpage on the City’s website (the “**Settlement Webpage**”). The record shows that the Full Notice was mailed to Class Members identified in Exhibit A to the Affidavit of Printing and Mailing to their last known addresses as appearing on the records maintained by the City on December 19, 2025; Eight Thousand One Hundred Forty-Eight (8,148) Full Notices were mailed. The record further shows that the webpage was added to the City’s website providing information about the Lawsuit. See <https://www.richmondhill-ga.gov/gov-legal>. The Publication Notice, the record shows, was placed in the Bryan County News on December 11, 2025, December 18, 2025, December 23, 2025, and December 30, 2025.

4. The Court finds that the Notice Program (a) constitutes notice that was reasonably calculated under the circumstances to apprise the Class Members of the terms of the Order and Judgment and the Settlement, the Class Members’ right to object and the date and time of the Final Approval Hearing; (b) constitutes due, adequate, and sufficient notice to all persons or entities entitled to receive notice; and (c) meets the requirements of O.C.G.A. § 9-11-23 and the due process requirements of the Constitution of the United States and the Constitution of the State of Georgia and all other applicable law. See *Juris v. Inamed Corp.*, 685 F.3d 1294, 1318 (11th Cir. 2012) (the Constitution of the United States does not require that each individual member receive actual notice of a proposed settlement).

5. For any Full Notice that was returned as undeliverable, the Administrator, appointed hereinbelow, is directed for any Class Member who is entitled to a refund to cross reference the Class Member’s name with the City’s records to determine if there is a new address. Generally, the Administrator is directed to use reasonable efforts to confirm the address of any Class Member who is entitled to a refund.

Final Approval of Proposed Settlement

6. The Court finds that the Settlement set forth in the Order and Judgment was the result of extensive and intensive arm's length negotiations taken place in good faith among highly experienced counsel, with the benefit of sufficient facts and with full knowledge of the risks inherent in litigation. The record shows the Order and Judgment was negotiated at arm's length and without collusion; that the Parties engaged in extensive arm's length settlement negotiations with discussions concerning the terms of the Settlement conducted by senior attorneys from both sides; that all participants in the settlement discussions were experienced in prosecuting and negotiating multimillion-dollar complex class action cases such as this Lawsuit; and that each side had a thorough understanding of the aggregate damages owed, the facts in support of the amount owed, and the defenses thereto.

7. The Court hereby approves the Settlement set forth in the Order and Judgment and finds that the Settlement is, in all respects, fair, reasonable, adequate, meets the requirements of due process, and is in the best interest of the Class Members. This is especially so in view of the complexity, expense, and probable duration of further litigation; the discovery (including informal discovery) conducted to date; and the reasonableness of the recovery obtained and the meaningful benefits provided to the Class Members, considering the range of possible recovery and the attendant risks of litigation.

The record shows the direct benefits to the Class Members include the creation of an Aggregate Refund Fund in the amount of \$5,000,000.00. The City shall pay the Aggregate Refund as follows:

- 1) \$2,000,000 on or before January 10, 2026 (the “**Initial Refund Fund Payment**”); and
- 2) \$3,000,000 on or before January 10, 2027 (the “**Final Refund Fund Payment**”).

In the event the City fails to make the payments into the Aggregate Refund Fund as provided in the Order and Judgment, post judgment interest shall accrue at a rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Court finds that this Settlement provides immediate cash refunds for the Class Members expected to return up to 60% of the total calculated refund due less fees and expenses for tax years 2018 to 2025. Therefore, this Court finds that the possibility of a trial producing a more favorable recovery is remote and the Class Members would risk the many hazards of litigation, such as trial errors and appeals including recovering nothing. Further, the Court finds that Settlement will avoid complex, expensive, and continued lengthy litigation, saving resources of the Parties and the Court.

The record shows that Class Counsel conducted early, informal discovery and that the facts of this Lawsuit have been thoroughly researched as Class Counsel spent a substantial number of hours investigating the potential refund claims for each tax year at issue. The record further shows that Class Counsel expended significant resources researching and developing the legal theories and claims presented in the First Amended Class Action Complaint and that Class Counsel devoted significant time and effort to preparing a comprehensive damage analysis and calculation of the aggregate total refund owed, which was integral to negotiating the Settlement with the City. Additionally, the record shows that the legal issues involved in this case have been thoroughly researched and that Class Counsel has briefed and argued the same issues in other tax refund and tax appeal matters and is very familiar with the statutory requirements for refund matters under O.C.G.A. § 48-5-380. The Court finds that Class Counsel was well informed of the merits of the Lawsuit and had sufficient information to weigh the benefits of settlement against further litigation.

8. Based on the foregoing, the Court finds that Class Counsel and Named Plaintiff have adequately represented the Class Members.

9. The Court finds that the Settlement treats Class Members equitably. The record shows that each Qualified Class Member (as defined in the Order and Judgment) will receive payment from the Aggregate Refund Fund pursuant to a formula that ensures they will be fairly compensated. That is, each Qualified Class Member will receive his or her pro-rata share of his or her calculated tax refund of the total calculated refund due from the Aggregate Refund Fund less Fees and Expenses (as defined in the Order and Judgment). This is called the “**Pro-Rata Refund**”. “Pro-rata” means the proportion each Qualified Class Member’s Pro-Rata Refund bears to the total Aggregate Refund Fund. The record shows that this percentage shall be used to calculate each Qualified Class Member’s pro rata share of the Fees and Expenses.

10. The Court finds that the proposed method of distribution of refunds to the Class Members to be the best method of distribution possible. The record shows that if the Class Member is a Qualified Class Member as defined in the Order and Judgment and still has the same address as found in the City’s records, the Class Member needs to take no further action in order to receive his or her refund. As provided in the Order and Judgment, if the Class Member is a Qualified Class Member as defined in the Order and Judgment and no longer owns the property for which the refund is due, the Class Member must fill out a claim form (which will be sent to what is believed to be the current address or can be obtained from the Settlement Webpage on the City’s website) certifying that he or she is the same taxpayer for which the refund has been calculated and then the refund will be mailed to such Class Member.

11. The Court hereby establishes the Lanier Qualified Settlement Fund (the “**Lanier QSF**”) pursuant to Court Order as a “Qualified Settlement Fund” as that term is described in

Internal Revenue Code §468B (26 U.S.C. §468B) and the Treasury Regulations thereto, established by Order of this Court, to hold, invest, administer, and distribute the Lanier QSF assets, which shall consist of a proposed service award to the Named Plaintiff and Class Counsel attorney fees and expenses.

The Settlement monies held by the Lanier QSF's bank account shall be held and managed, as required by Treasury Regulations §468B-1(c)(3). Such Lanier QSF settlement amounts are to be held, managed, invested, and re-invested, as directed by the Fund Administrator appointed by the Court, in a manner to preserve any accrued income and principal in the Lanier QSF until it can be fully distributed. **Terry D. Turner, Jr. of Gentle Turner & Benson, LLC**, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 **is appointed as the Lanier QSF administrator** (the "**Lanier QSF Administrator**"). The Lanier QSF Administrator shall charge a flat fee of \$30,000.00 for his services plus expenses which shall be paid from the Aggregate Refund Fund as set forth in the Order and Judgment.

Class Counsel Fees Awarded and Service Fees shall be paid by the Lanier QSF Administrator. The Lanier QSF shall hold such settlement amount, with any earnings thereon, and the Lanier QSF Administrator shall make payments on behalf of the Named Plaintiff and Class Counsel from the Lanier QSF, whether directly, structured settlement payments, or otherwise, and fund administration fees of the Lanier QSF.

Rita Spalding is hereby appointed as Special Master. The Special Master will rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

Terry D. Turner, Jr. of Gentle Turner & Benson, LLC, 501 Riverchase Parkway East, Suite 100, Hoover, Alabama 35244 is **appointed Administrator to identify Class Members** (hereinafter referred to as the “**Administrator**”) entitled to refunds based on the City of Richmond Hill’s databases, records and resources, and to calculate the individual refund amounts, if any, due each Class Member. The Administrator’s fees will be paid from the Aggregate Refund Fund. The Administrator will be paid the hourly rate of \$120 per hour for his services and \$80 per hour for administrative personnel hired to assist.

The Court shall retain jurisdiction of the Lanier QSF, the Lanier QSF Administrator, and all related matters. The Lanier QSF is hereby authorized to effect qualified assignments on behalf of the Named Plaintiff or Class Counsel of any resulting structured settlement liability within the meaning of Section 130(c) of the Internal Revenue Code to the qualified assignee.

12. The Parties are hereby directed to implement and consummate the Settlement according to the terms and provisions of the Order and Judgment.

13. The Parties are Ordered to cooperate fully with each other regarding the implementation of the terms of the Order and Judgment as approved in this Final Order and Judgment.

Certification of Settlement Class

14. Even when certifying a class under O.C.G.A. §9-11-23 for settlement purposes only, all O.C.G.A. §9-11-23(a) factors and at least one of the requirements under O.C.G.A. §9-11-23(b) must be satisfied – except that the court need not consider the manageability of a potential trial, since the settlement if approved, would obviate the need for a trial. *See Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997).

15. The Court previously concluded in its Preliminary Approval Order that it was likely to certify the following Settlement Class: *all taxpayers within the City who paid a Fire Fee at any time between November 7, 2018, and the date of the Court’s final approval of the Order and Judgment* (the “Settlement Class” or “Refund Class”).

16. The Court specifically determines that, for settlement purposes, the proposed Settlement Class meets all the requirements of O.C.G.A. §9-11-23(a) and O.C.G.A. §9-11-23(b)(1) and O.C.G.A. §9-11-23(b)(2), namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the Settlement Class, as it has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this Lawsuit; and that the prosecution of separate actions by or against individual class members would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual class members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests.¹

¹ Additionally, while the Court has elected to only certify the Classes under O.C.G.A. §9-11-23(b)(1) and O.C.G.A. §9-11-23(b)(2) the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the classes predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class action is superior to other methods available for the fair and efficient adjudication of this controversy satisfying the requirements of O.C.G.A. § 9-11-23(b)(3).

Injunction, Releases, Dismissal and Final Judgment

17. As of January 1, 2026, and thereafter, Defendant is permanently enjoined and restrained from billing and collecting Fire Protection Fees pursuant to City of Richmond Hill Code of Ordinances Chapter 38, Article IV as adopted April 2, 2019.

18. All claims asserted in this Lawsuit are dismissed with prejudice on the merits and without costs to any party except as otherwise provided in this Court's Order on the Application for Attorney's Fees, Reimbursement of Expenses and Service Award to Class Representative or as otherwise provided in the Order and Judgment.

19. Upon entry of this Final Order and Order and Judgment, Named Plaintiff and each Class Member, on behalf of themselves and any other legal or natural persons and entities who or which may claim by, through, or under them, release their claims as outlined in the Order and Judgment.

20. Without affecting the finality of this Order, the Court retains continuing and exclusive jurisdiction over all matters relating to the administration, consummation, enforcement and interpretation of the Order and Judgment, to protect and effectuate this Order, and for any other necessary purpose.

21. The Clerk shall promptly enter the Order and Judgment attached hereto as **Exhibit A** in the docket of this Lawsuit which shall become a final Judgment of this Court.

22. The Clerk shall promptly enter this Order as a Final Judgment in the docket of this Lawsuit.

SO ORDERED this _____ day of _____, 2026.
